Dear Brothers,

We are writing in regard to your letter reference; LLD February 5, 2009.

Under the sub heading; FURTHER INFORMATION REQUIRED, you stated that you have no record of the original S-77 form for BCH [REDACTED] and requested that we send this to you. This form is enclosed with this letter, along with another case that was overlooked at the time of going through all the forms in the file.

Over the time involved with the preceding case, much correspondence went back and forth with your legal department in relation to BCH [REDACTED] case, so they might be able to assist with further inquiries. If more information is required from Loganholme congregation, please let us know how we can assist you in any way.

We take this opportunity to pass on the Christian love of the Loganhome congregation to you all.

From your brothers
