2. Give a detailed summation of the case, explaining exactly what took place. (Use additional sheet *only* if more space is needed.) For a disfellowshipping, include the reasons why you judged the person to be unrepentant. For a disassociation, include what led to the person's decision, how he responded to efforts to assist him, and what convinced you that his position was adamant.
Decision based on Rev22:15. He pleaded guilty in a court of law to molesting 2 of his daughters. When this came to light, he changed his plea to not guilty to avoid being disfellowshipped. He has continued to change his story depending on what he thinks is the most expedient thing at the time. In at least 3 instances he has denied these charges and then confessed to them under duress. He has 3 daughters claiming he molested them and he continues to deny their claims and lies about it to judicial committees and law courts to suit he own ends. We explained that he needs to come to grips with the truth and reconcile things with his daughters to the best of his ability (Mth5:23,24)

3. Did the individual appeal your decision? No (If so, follow the instructions on the reverse side regarding appeals.)
