Beenleigh East Congregation  
of Jehovah's Witnesses — Qld

Dear Brothers:

We wish to thank you for taking the time to clearly set out your observations regarding the plea for reinstatement by Mr. BCH. You have handled this matter very thoroughly and the brothers in the Mareeba and St. George congregations will now need to follow through in handling any further pleas for reinstatement.

Thank you for your fine cooperation and we send our warm Christian love and greetings.

Your brothers,
